LIDDS in brief:

LIDDS is a Swedish drug delivery company based on the proprietary technology NanoZolid®. With NanoZolid®, LIDDS can formulate drugs for local/intratumoral administration, with a maintained and controlled release for up to six months. The technology is versatile, can be used across different drug classes and can solve problems within many indication areas, mainly within oncology. LIDDS offers the NanoZolid® technology to partners and has developed its own pipeline focused on oncology, where the technology enables delivery of a local and high drug dose, administered over time with very limited side effects. LIDDS has a broad pipeline with several projects in clinical development, both in early and late-stage clinical phase, and projects about to enter clinical development. The company is listed on Nasdaq First North Growth Market.

Important information

This press release may not be published or distributed, directly or indirectly, in or to Australia, Belarus, Canada, Hong Kong, Japan, New Zealand, Russia, Switzerland, Singapore, South Africa, the United States or any other jurisdiction where such action in whole or in part is subject to legal restrictions, or would require additional prospectus, registration or other measures than what follows from Swedish law. The information in this press release may also not be forwarded or reproduced in a way that is contrary to such restrictions or would entail such requirements. Actions contrary to this instruction may constitute a violation of applicable securities legislation. Neither subscription rights, paid and subscribed shares nor new shares subscribed for in the offering have been registered or will be registered under the United States Securities Act of 1933 as currently amended ("Securities Act") and may not be offered, subscribed for, exercised, pledged, sold, resold, delivered or transferred, directly or indirectly, in or to the United States, except pursuant to an applicable exemption from the registration requirements of the Securities Act. The offer is also not directed at persons domiciled in Australia, Canada, Hong Kong, Japan, New Zealand, Switzerland, Singapore, South Africa or in any other jurisdiction where participation would require additional prospectus, registration or other measures than those that follow from Swedish law.

Forward-looking statements

This press release contains certain forward-looking statements that reflect LIDDS' current views and expectations regarding future events and financial and operational developments, including statements regarding the offering and statements regarding guidance, planning, prospects and strategies. Words such as "intended," "predicted," "expected," "planned," "estimated," "may," and other expressions that imply indications or predictions of future developments or trends and are not based on historical facts constitute forward-looking statements information. Although LIDDS believes that these statements are based on reasonable assumptions and expectations, LIDDS cannot guarantee that such forward-looking statements will be realized. Because these forward-looking statements involve both known and unknown risks and uncertainties, actual outcomes may differ materially from those expressed in forward-looking information. Forward-looking statements in the press release speak only as of the date of the press release and are subject to change without notice. The company makes no promises to publish updates or revisions to forward-looking statements as a result of new information, future events or the like beyond what is required by applicable laws or stock market regulation.
